Claim Rejections - 35 USC § 103

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1-4, 7-9 are rejected under 35 U.S.C. 102(a) as being unpatentable over Kentera , Inc., www.kintera.com of 2000 as found on www.web.archive.org¹

The teaching of Kintera is of record. The applicant's argument has been considered but is not persuasive. The argument fails to consider the broadest reasonable interpretation of claim 1. In claim 1, the preamble reads "directly funding projects". It is the examiner's position that funding projects reads on funding a NSO as NSO often solicit money for one or more projects. A nonlimiting example is the Red Cross soliciting money for Tsunami Victims. More generally, NSO often raise money for natural disasters. With no other arguments presented, the rejection is maintained.

3. Claims 10-13 are rejected under 35 U.S.C. 102(a) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Kentera , Inc., www.kintera.com of 2000 as found on www.web.archive.org.

¹ The heading for this rejection was inadvertently types as 103(a). As can be seen from the body of the rejection, the heading should have been 102(a).

Art Unit: 3693

The applicant's argument under this paragraph are similar to the previous to the previous paragraph. Again since the applicant's arguments are not commensurate in scope with the claim language, the rejection is maintained.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
